About our supplier

Our Handle manufacture has over 25-year experience, catering to the needs of Kitchen, Bathroom & Bedroom furniture manufacturers. The company was formed in 1997 with the objective of supplying quality components, at the best available prices and offer a level of customer service which is unrivalled by its competitors, this strategy has seen the company grow in strength over the last 25 years and continues to be the principal strategy going forward. Long-term relationships are one of their key objectives, wishing to establish and maintain good working relationships with all their customers new and old alike.
